

## Notes from 31<sup>st</sup> January Practice

Hello singers. I'll keep it short.

Notes from last night. Only 5 weeks until our Fringe Concert. Our president suggests that you please concentrate on diction as well as the notes of your "parts".

Please make use of the audio files that are parked in the Members page of website. (Thanks Peter for lugging out the large plasma screen and connecting it to your laptop!)

Max reports that John Agnew is doing well with recent good test results.

Keep it going John!

REMEMBER IT IS NOW IS THE TIME OF YEAR TO RECRUIT NEW MEMBERS AND CHOIR FRIENDS!

By the way, thanks very much to the kind soul who managed to find a cushion that was placed on my chair. I was blessed!

George
